3. Agreement

The landlord and all tenants identified in this agreement mutually extend the existing written lease identified above for the same premises. The renewed term begins and ends on the dates stated above. The renewed monthly rent applies from the renewal start date, subject to applicable law.

Except for the renewed term and monthly rent expressly stated here, the lawful provisions of the existing lease and its existing addenda continue unchanged, including payment method, rent due day, utilities, maintenance and occupancy provisions. The existing lease must be kept with this agreement.

This agreement does not add an automatic-renewal provision, change any party, extend a guaranty, impose a new fee, waive a claim, or waive any nonwaivable right. An unlawful term in the existing lease is not validated by this renewal. If a provision conflicts with mandatory law, that law controls.

The stated end date is not a notice to vacate or a waiver of renewal, notice, just-cause, rent-limit, habitability, security-deposit, anti-retaliation or other protections. Any later termination, holdover or further renewal is governed by applicable law and the lawful terms of the lease.

All parties should receive a complete signed copy together with the original lease and required disclosures. Signing this document does not establish that a separate notice has been delivered or that a proposed rent increase is lawful.

4. Documents kept with this renewal

Keep this agreement with the original lease and all existing addenda. Provide each party with the complete signed packet and every applicable state, local and federal disclosure. Required notices must be delivered separately on time; signing this renewal does not cure a missing notice or authorize an unlawful increase.

Additional documents

Before signing

A fixed term should be explicit. Keep lawful existing terms and do not use renewal conditions to retaliate for protected tenant activity. Periodic-tenancy notice rules are distinct from this voluntary agreement.

For the same home and parties, with a renewed term of up to one year. Complete all applicable fields, keep the original lease, and attach required disclosures. Prescribed regulated-housing forms are outside this template.

Determine the current term

Fixed and periodic terms work differently

Under Miss. Code § 89-8-19, where the agreement sets no definite term, the tenancy is generally week-to-week for weekly rent and otherwise month-to-month. The usual written termination notice is seven or 30 days, respectively, before termination. Check the lease and applicable exceptions separately from this renewal.

Deposit and demand

Record all three dates

Under § 89-8-21, track termination, delivery of possession, and the tenant's demand; the usual 45-day period for the balance runs after those conditions are met. Give a written itemization and distinguish lawful deductions from ordinary wear. Keep the existing balance on the renewal ledger instead of treating renewal as automatic forfeiture.

Repairs and final copies

Preserve duties under the original lease

Record outstanding repair requests and the appropriate notice address. Do not use a renewal to waive statutory housing protections. Sign one row per person and provide a copy of all agreed changes with the original contract.
