3. Agreement

The landlord and all tenants identified in this agreement mutually extend the existing written lease identified above for the same premises. The renewed term begins and ends on the dates stated above. The renewed monthly rent applies from the renewal start date, subject to applicable law.

Except for the renewed term and monthly rent expressly stated here, the lawful provisions of the existing lease and its existing addenda continue unchanged, including payment method, rent due day, utilities, maintenance and occupancy provisions. The existing lease must be kept with this agreement.

This agreement does not add an automatic-renewal provision, change any party, extend a guaranty, impose a new fee, waive a claim, or waive any nonwaivable right. An unlawful term in the existing lease is not validated by this renewal. If a provision conflicts with mandatory law, that law controls.

The stated end date is not a notice to vacate or a waiver of renewal, notice, just-cause, rent-limit, habitability, security-deposit, anti-retaliation or other protections. Any later termination, holdover or further renewal is governed by applicable law and the lawful terms of the lease.

All parties should receive a complete signed copy together with the original lease and required disclosures. Signing this document does not establish that a separate notice has been delivered or that a proposed rent increase is lawful.

4. Documents kept with this renewal

Keep this agreement with the original lease and all existing addenda. Provide each party with the complete signed packet and every applicable state, local and federal disclosure. Required notices must be delivered separately on time; signing this renewal does not cure a missing notice or authorize an unlawful increase.

Renewal and termination

Start with the current agreement

Check the existing end date and any option or automatic renewal language. Record when the new term starts and whether the parties intend a fixed term or a periodic tenancy. For month-to-month termination under § 47-8-37, use the appropriate separate written notice and verify timing and service against the court’s form.

Security deposit and prepaid rent

Carry forward the actual balance

Separate the damage deposit from the last month’s rent already paid. Under § 47-8-18, verify the deposit rules for the length of the renewed term. On termination, calendar the 30-day accounting rule using the statutory trigger and address any itemized deductions separately from ordinary wear.
