3. Agreement

The landlord and all tenants identified in this agreement mutually extend the existing written lease identified above for the same premises. The renewed term begins and ends on the dates stated above. The renewed monthly rent applies from the renewal start date, subject to applicable law.

Except for the renewed term and monthly rent expressly stated here, the lawful provisions of the existing lease and its existing addenda continue unchanged, including payment method, rent due day, utilities, maintenance and occupancy provisions. The existing lease must be kept with this agreement.

This agreement does not add an automatic-renewal provision, change any party, extend a guaranty, impose a new fee, waive a claim, or waive any nonwaivable right. An unlawful term in the existing lease is not validated by this renewal. If a provision conflicts with mandatory law, that law controls.

The stated end date is not a notice to vacate or a waiver of renewal, notice, just-cause, rent-limit, habitability, security-deposit, anti-retaliation or other protections. Any later termination, holdover or further renewal is governed by applicable law and the lawful terms of the lease.

All parties should receive a complete signed copy together with the original lease and required disclosures. Signing this document does not establish that a separate notice has been delivered or that a proposed rent increase is lawful.

4. Documents kept with this renewal

Keep this agreement with the original lease and all existing addenda. Provide each party with the complete signed packet and every applicable state, local and federal disclosure. Required notices must be delivered separately on time; signing this renewal does not cure a missing notice or authorize an unlawful increase.

Additional documents

Before signing

An automatic-renewal clause for a qualifying residential lease requires written notice at least 30 days before expiry. Without the required notice, periodic-tenancy rules may apply. Sign a mutual extension and check that the lease has not already rolled over.

For the same home and parties, with a renewed term of up to one year. Complete all applicable fields, keep the original lease, and attach required disclosures. Prescribed regulated-housing forms are outside this template.

Automatic renewal requires advance notice

Section 47-16-06.1 generally requires written notice of the automatic renewal provision at least 30 days before expiration for residential fixed terms of two months or more. Deliver it personally or by first-class mail. If omitted, the statute converts the latest lease terms to a month-to-month tenancy.

Check monthly changes

Section 47-16-07 generally requires written notice at least 30 days before the month ends to change a month-to-month lease at expiration of that month. Check the actual delivery and tenancy dates.

Keep the deposit and condition records

Review the cap and interest

Section 47-16-07.1 generally caps security at one month's rent, with specified exceptions and separate pet-deposit rules. Keep the deposit in the statutory insured interest-bearing account and track the occupancy period for the interest rule. The ordinary deadline for itemization and payment is 30 days after lease termination and delivery of possession.

Keep a signed condition statement

Review section 47-16-07.2 and preserve the signed condition statement with the rental agreement. Document existing damage and retain the record with the renewal.
